ML DQ ENHANCED HEALTH IN CARE HOMES LES GUIDE

ML DQ ICB ENHANCED CARE HOME LES TEMPLATE

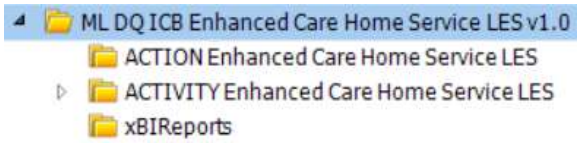

The **ML DQ ICB Enhanced Care Home LES** template should be used for this LES. It should also be used for work being done under the PCN DES. The template is available to you through the shared folder in resource publisher (see screenshot below).

SEARCHES

All searches for the Enhanced Services can be found in the distributed searches folder in Enterprise Searches & Reports.

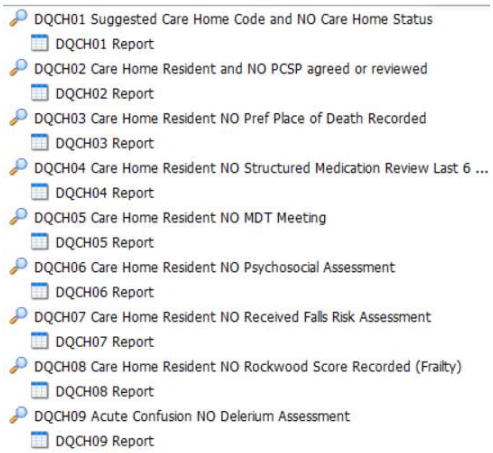

Please find detailed below information about the searches:

All the search's work on the assumption that relevant codes have been added to the patients record from the template 'ML DQ ICB Enhanced Care Home LES'.

ACTION Enhanced Care Home Services LES

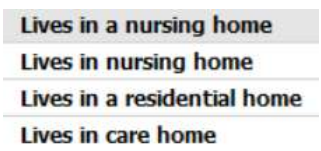

This folder contains searches which identify patients who have missing key activity for the care home LES. The key items are – Personalised Care and Support Plan (PCSP), Preferred Place of Death, Medication Review (L6m), MDT meeting, Psychosocial assessment, falls risk assessment, frailty Rockwood scoring and Delerium assessment for acute confusion patients.

Whilst these searches will not affect your payments, the ICB are monitoring this information and would like to see an increase in the key items recorded.

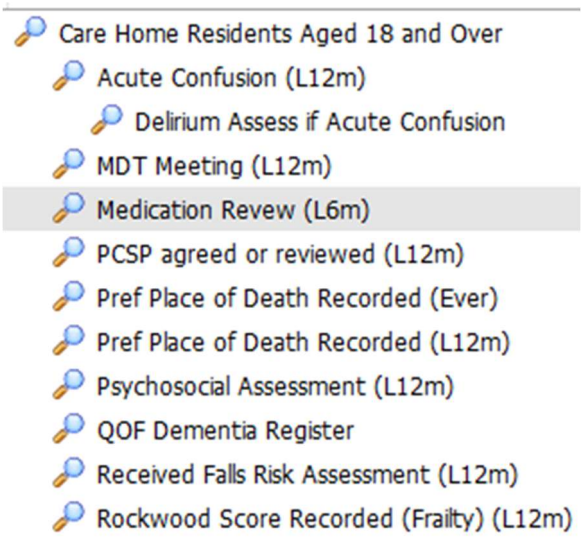

Using the ML DQ ICB Enhanced Care Home LES template will ensure you are using the codes captured within the searches.

DQCH01 Identifies patients with a suggested care home residence code but does not have their latest residential status as one of the codes to the right.

ACTIVITY Enhanced Care Home LES

These searches identify the number of patients who have the appropriate code added to their record for the key items being monitored as part of the LES.

Whilst these searches will not affect your payments, the ICB are monitoring this information and would like to see an increase in the key items recorded.

Using the ML DQ ICB Enhanced Care Home LES template will ensure you are using the codes captured within the searches.

xBI Reports

These reports form part of a number of reports that get collated and sent to ML Business Intelligence to form the LES Monitoring Report.

PERSONALISED CARE & SUPPORT PLAN PCSP (DOCUMENT TEMPLATE)

A Personalised Care & Support Plan document has been created and is available for you to use for the LES and PCN DES. This document template is available in the shared folder in Resource Publisher.

Relevant data entered in the **ML DQ ICB Enhanced Care Home LES** template will merge into this care plan. ***Please note the ML DQ ICB Enhanced Care Home LES template will need to be saved prior to launching the Personalised Care & Support Plan to enable the latest information to be merged.***
